The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF STATE OF CALIFORNIA - DEPARTMENT OF
REHABILITATION COOPERATIVE AGREEMENT WITH
COUNTY OF LOS ANGELES - DEPARTMENT OF MENTAL HEALTH
FOR FISCAL YEAR 2004-2005
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the renewal of the Cooperative Agreement between the County of Los Angeles - Department of Mental Health (DMH) and the State of California - Department of Rehabilitation (State DR), substantially similar to Attachment I, for Fiscal Year (FY) 2004-2005. This Cooperative Agreement allows for the provision of vocational services to the County's mentally ill clients by 11 contracted agencies and 17 directly-operated mental health clinics as listed in Attachment II. State DR funds this Agreement in the amount of \$2,883,960 and County General Funds (CGF) in the amount of \$815,617 are included in the DMH FY 2004-2005 proposed Budget, for a total funding of \$3,699,577. The term of the Cooperative Agreement is July 1, 2004 through June 30, 2005.
2. Adopt the Resolution and instruct the Chairman of your Board and the Executive Officer, Board of Supervisors, to certify and sign two (2) Resolutions (Attachments III and IV).
3. Delegate authority to the Director of Mental Health or his designee to sign four (4) original copies of the Cooperative Agreement.

4. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute amendments to Legal Entity (LE) Agreements with the 11 existing contractors listed in Attachment II, and establish as a new Maximum Contract Amount (MCA) the aggregate of each original Agreement and all amendments through and including these amendments, provided that: 1) the County's total payments to contractor under the Agreement for each fiscal year shall not exceed a change of 20 percent from the applicable revised MCA; 2) any increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or his designee is obtained prior to any such Amendment; 5) the parties may, by written Amendment, mutually agree to reduce programs or services without reference to the 20 percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The current Cooperative Agreement with State DR will expire on June 30, 2004. Upon Board approval, the renewal of the Cooperative Agreement will be effective from July 1, 2004 through June 30, 2005. Board approval of this annual contract renewal, which requires a Board Resolution, will allow DMH to continue to maintain a partnership with State DR for the uninterrupted provision of vocational rehabilitation services for individuals with chronic mental illness at 11 existing contracted agencies that have Case Service Agreements with State DR and at 17 directly-operated mental health clinics as listed in Attachment II. Additionally, the renewal of this Cooperative Agreement allows County to receive additional revenue which benefits residents of Los Angeles County. Without Board approval, programs assisting clients with finding and maintaining competitive employment would be eliminated or substantially reduced.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the County's Programmatic Goal 7, Health and Mental Health, within the Countywide Strategic Plan. Access to employment services will be enhanced through the collaboration of government agencies and community-based organizations.

FISCAL IMPACT/FINANCING

The Cooperative Agreement requires DMH to contribute matching funds in order for State DR to access Federal vocational rehabilitation monies. The terms of the Cooperative Agreement state that DMH can meet its match requirement through either cash match and/or non-cash match of certified time. The certified time of DMH employees allows State DR to draw down Federal funds. The monetary value of certified time is based on staff salaries for time spent to administer the Agreement and provide liaison services.

The total budget for the FY 2004-2005 Cooperative Agreement is \$3,699,577, which is comprised of Federal funds provided to State DR in the amount of \$2,883,960 and DMH's contribution of \$815,617. DMH's contribution is a combination of cash and non-cash/certified time commitments. DMH's cash contribution of \$629,083 allows State DR to draw down \$2,324,358 in Federal funds. These dollars are from CGF currently included in DMH's FY 2004-2005 Proposed Budget. DMH's non-cash contribution of \$186,534 consists of salaries based on certified time of staff involved in the Agreement. This non-cash contribution allows State DR to receive an additional \$559,602 in Federal funds. There is no impact on net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Since 1991, DMH has participated in a Cooperative Agreement with State DR to provide vocational services for individuals disabled by chronic mental illness. During FY 2003-2004, over 2,000 clients were served through the Cooperative Agreement Program according to State DR. Upon Board approval, the term of this Cooperative Agreement will be effective July 1, 2004 through June 30, 2005. This "umbrella" Agreement provides for both agencies to share the responsibility for funding, administration, and oversight of the vocational programs at a total of 29 mental health program sites. These service sites are operated by 11 existing contracted agencies and 17 directly-operated mental health clinics. State DR contracts directly with these 11 contracted agencies through Case Service Agreements. These Case Service Agreements enable these programs to provide employment services, including vocational assessment, work adjustment, and personal and social adjustment services, thereby, enhancing the employment services delivery system.

To fulfill the terms of the State DR Cooperative Agreement, DMH reduces the amount of CGF from the MCAs of these 11 LE contractors and submits these funds to State DR, which uses such funds and the related Federal match to fund the Case Service Agreements between these LE contractors and State DR.

For FY 2004-2005, a total of 2,000 unduplicated DMH/State DR clients will be served through this Cooperative Agreement. A total of 830 new referrals will be made to State DR; 600 individual plans for employment will be developed; and 300 cases will be successfully closed. It is also projected that 50 percent of the clients whose cases are closed following plan initiation will have attained an employment outcome.

The Cooperative Agreement specifies the services to be provided and the funding amounts to be reimbursed for the services. The Agreement expressly provides that the County has no obligation to pay for expenditures beyond the contract amount.

During the past year, DMH has worked with State DR to strengthen the employment services offered to DMH clients. With this additional focus on career goals, strengths, and abilities, clients are more prepared to meet State DR eligibility requirements for employment-related services. These services include funds for transportation, clothing and uniforms, job-related tools and equipment, training, and other services that enable clients to obtain and maintain employment.

The key terms and conditions of the annual Cooperative Agreement have been reviewed and approved by County Counsel. In addition, the CAO and DMH's Fiscal and Program Administrations have reviewed and approved the proposed actions.

CONTRACTING PROCESS

Federal and State law allows that DMH and State DR enter into the Cooperative Agreement to provide services as designated without requiring the use of a solicitation or bid process.

IMPACT ON CURRENT SERVICES

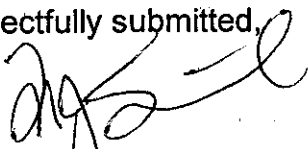

The Cooperative Agreement with State DR will enable the continuation of vocational rehabilitation services to DMH consumers, without interruption, at DMH's directly-operated and contracted agencies throughout the County of Los Angeles.

The Honorable Board of Supervisors

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action and two (2) certified copies of the Resolution. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when these documents are available.

**LOS ANGELES COUNTY DEPARTMENT OF MENTAL HEALTH
FISCAL YEAR 2004-2005**

SCOPE OF WORK

I. INTRODUCTION

The Los Angeles County Department of Mental Health (LACDMH) and the California State Department of Rehabilitation (DOR) will combine both staff and financial resources to provide an integrated program of vocational rehabilitation services for individuals with severe psychiatric disabilities (hereinafter referred to as clients) who are mutually served by LACDMH and DOR and who reside in Los Angeles County.

DOR services will be provided by the following Districts: Van Nuys Foothill, Greater Los Angeles (GLAD), LA South Bay, and Orange San Gabriel.

The County operated clinics and the local DOR staff will work collaboratively to provide services to mutual clients. Because local relationships vary from clinic to clinic, each local collaborative partnership may be formalized by a written Memorandum of Understanding (MOU). These MOUs will identify local clinic and DOR staff positions to work collaboratively in this process. The MOUs will also outline how each local collaborative partnership will deliver services. This will include a description of the outreach and referral process, assessment, eligibility, IPE development, IPE progress and monitoring, employment services, education supports, and expected outcomes.

Twelve (12) community-based case service contractors will provide clients with vocational assessment, work adjustment, personal vocational and social adjustment and employment services. Three (3) of these programs are for transitional youth (ages 15-21). Included

also will be the availability of services to those individuals whose primary language is other than English, e.g. Spanish, Vietnamese, Korean, and Chinese.

The four DOR Districts' staffs will collaborate with their counterparts from the local LACDMH County operated clinics and the case service contractors to identify, assess, place and support program clients. Representatives from these agencies will work collaboratively including meeting regularly to discuss the program's progress and to staff cases. Staffs of both agencies will participate in cross training and in-service training programs for the purpose of increasing their capacity to work together and with clients served by this cooperative effort.

BUDGET DETAIL AND PAYMENT PROVISIONS

- I.** It is mutually understood between the parties that this contract may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the contract were executed after that determination was made.
- II.** This contract is valid and enforceable only if sufficient funds are made available to the State by the United State Government for the Fiscal Year(s) covered by this contract for the purposes of this program. In addition, this contract is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress, which may affect the provisions, terms, or funding of this contract in any manner.
- III.** It is mutually agreed that if the Congress does not appropriate sufficient funds for the program, this contract shall be amended to reflect any reduction in funds.
- IV.** There are no oral understandings or agreements that are not incorporated in this contract.
- V.** Either party has the option to void the contract under the 30-day cancellation clause or to amend the contract to reflect any reduction of funds.

Changes in line item amounts may not result in an increase of the total contract amount. Other than changes within categories, any alterations or variation to the contract must be contained in a written contract budget revision approved by State's Contract Office and/or written contract amendment, approved by the Department of General Services.

Exhibit B (Continued)
